A

Accidents—Elevator fall kills seven Mar. 28 23

Aeronautics

Airports
Capital City Airport, Lansing, Mich. paves taxiways and apron (unit prices) Jan. 10 76
Columbia's Bogota Airport will be ready by late 1958 Feb. 28 56
Columbus, Ohio—bid dispute halts project Jan. 10 25
Dallas, Tex. Love Field—an airport with passenger appeal Mar. 21 (F) *39
Detroit Wayne Major Airport paves taxiways and apron (unit prices) Mar. 21 128
Federal funds give cities a chance to fast start on 321 projects Apr. 11 26
Fort Worth' Carter Field runway will be lengthened for jets Mar. 7 33
Ft. Worth Texas Airport extends instrument runway (unit prices) May 2 78
Grand Forks, N.D.—air base to get concrete runway Apr. 4 26
Greenland—build-up for better Trans-Arctic bases. Waldo Bowman (map) Feb. 7 (F) *36
Jet age won't outmode U. S. airports May 23 (F) *23
Langley Air Force Base paving complicated by swamp (unit prices) Apr. 18 124
Loring Me. Air Force Base for biggest strategic bombers. Feb. 28 (F) *40
Wrong railroad. Correction. H. S. Wrong railroad. Correction. H. S. Walker, P. Barry Apr. 11 10
Nairobi Airport to be completed in 1958 June 13 *93
Newark Airport—radar dome will cap new control tower Apr. 11 30
New York's Idlewild Airport—building today for tomorrow's airport May 2 (F) *30
New York International Airport will be an umbrella-like structure Apr. 11 *25
New York International Airport will have a 320 room hotel Feb. 21 *50
Portsmouth, N. H. Air Force Base for biggest strategic bombers Feb. 28 (F) *40
Wrong railroad. Correction. H. S. Walker, P. Barry Apr. 11 10
Stapleton Airfield at Denver to get $30-million expansion Feb. 14 24
Texas' executive airport construction work begins Apr. 18 *30
Tokyo's airport will be remodeled to handle jets May 30 64

Hangars
Air Force has developed a maintenance dock to fit contours of big planes Apr. 25 *27
Kansas City's Mid-Continent International Airport—precedent setting hangar now occupied Apr. 18 *29
Larson Air Force Base, Wash. undulated thin-shell hangar roof spans big bays Mar. 7 (F) *44
Newark Airport's next hangar will have 140 ft. cantilevered trusses Mar. 28 *26
San Francisco airport—pile load test during an earthquake Apr. 25 *32
San Francisco International Airport TWA starts jet hangar May 30 *28
San Francisco International Airport will have largest cantilever to support roof hangar Feb. 21 *46

Heliports
Denver's tallest building will have roof heliport May 30 *28
Long Beach, Calif.—Douglas' giant aircraft plant May 9 (F) *33
Plattsburgh Air Force Base, N. Y.—housing project slated June 27 34
Rosecrans Field, St. Joseph, Mo. airfield enlarged (unit prices) June 27 106
Sonic boom damage report Apr. 25 28

Air Conditioning

Canada—trend has reversed June 6 27
Chicago reveals effect of wasted cooling water for air conditioning units Apr. 4 33
Dallas, Tex. Love Field—airport with passenger appeal features air conditioned piers Mar. 21 (F) *39
How much does it cost to heat and cool homes? June 20 40
Window units are fed air through supply duct in new Seagram building June 13 (F) *45

Air Pollution

Air pollution controlless turn to radioactive gases for detection June 27 28
Gary, Indiana launches one-year air-pollution study Feb. 14 60
New York City promises $22 million yearly to curb pollution Mar. 21 172
New York-New Jersey area to be studied by federal-state team Mar. 28 79

Aluminum

Australia studies plans for $1 billion program to become exporter June 27 92
FHA adopts the standards for aluminum-window makers Jan. 24 18
American Assn. of State Highway Officials—Test road objectives approved June 20 25
American Concrete Institute—53rd annual convention gets report on progress on prestressing code Mar. 7 27
American Institute of Architects—AIA celebrates centennial Feb. 28 e120
Observes centennial May 23 *24
Pro and con on merits of the architect engineer (table) May 23 (F) *42
American Institute of Steel Construction—9th Annual Engineering Conference explores engineering advances June 6 26
American Road Builders Assn.—Road Show—credit worries shadow road meeting Feb. 7 (F) *21
Road Show—dramatic collection of cranes and shovels at $21-million Chicago Display Feb. 7 (F) *37
American Shore and Beach Preservation Assn.—Beach erosion gets spotlight at Asbury Park, N. J. Session June 13 88
American Society for Testing Materials adopts new reinforcement specs. at 60th Annual Meeting June 27 25
60th Annual Meeting—noteworthy papers June 27 26
American Society of Civil Engineers—Air Transport Div.—Transport conference hears jet age won't outmode U. S. airports May 23 (F) *23
Buffalo convention hears Seaway story told—in part June 13 (F) *25
Committee seeks standard for pipeline crossings Apr. 18 34
Honorary members June 27 27
Meeting hears challenge of river—and road work Feb. 28 26
American Waterworks Assn.—Delves into politics at Atlantic City meeting May 23 (F) 26
49th annual meeting told water demands must be met by unified efforts Feb. 14 29
Anderson, Robert A—New treasury chief—same money policy June 13 (F) *165

Aqueducts

Old Croton Dam and Aqueduct after 114 years—it was built to last and did Jan. 31 (F) *45
San Diego, Calif. plans bond election for aqueduct Mar. 21 33

Arches

Precast barrel arch sections form the roof of a Calif. high school gym Jan. 31 (F) *45
Money isn't everything. L. F. Greene Mar. 21 14
Timber building at Farmindale, L. I. had headroom increased by cutting ties of its roof-supporting arches and transferring the loads to steel frames. Alfred Zweig May 2 (F) *40
Two-hinged trussed arches at aircraft plant in Baltimore. E. W. Wolf Apr. 25 (F) *36
Undulated thin-shell hangar roof spans big bays at Larson Air Force Base, Wash. Mar. 7 (F) *44

Architects

AIA celebrates centennial Feb. 28 e120
Candela, Felix—architect for Mexico City's umbrellas. W. G. Bowman (table) May 16 (F) *36
Construction industry profile (chart) Feb. 21 70
Estimating is for pros. Seymour Berger June 27 6
Pro and con on merits of the architect engineer (table) May 23 (F) *42
Associated Equipment Distributors—Meeting at Chicago in conjunction with the Road Show—credit is a big worry Feb. 7 23
Associated General Contractors of America—Rogers, Lester C.—new president; Heldenfels, Fred W. Jr.—new vice-president Mar. 21 *99
38th annual meeting—Tighter price squeeze coming Mar. 21 (F) 25
Facts wrong. G. B. Roscoe May 16 15
Association for Applied Solar Energy—International design contest for solar-heated homes Apr. 25 28
Association of Highway Officials of the North Atlantic States—A regional look at road plans—annual meeting Mar. 7 25

Atomic Energy

Atomic sewage treatment is technically feasible June 27 104
Dresden A-plant due for construction in spring Jan. 3 *26
Dresden Nuclear Power station footings designed to hold a 190 ft. sphere June 6 *25
GE atom lab to feed PG&E power June 6 *32
Great Britain awards contracts for three more nuclear plants Jan. 24 *176
Nuclear Congress 1957 Mar. 21 (F) 28
Nuclear congress will ponder power and wastes problems Jan. 10 24
Reactors called safe Apr. 4 155
U. S. agrees to help European A-power plan Feb. 28 22
What's different about building atomic power plants? W. J. Grady Feb. 14 (F) *44

Auditoriums see Stadiums

Automation

IBEW looks ahead, views automation maintenance Jan. 17 113
McGraw, F. H. & Co.—a cost system that pays off fast June 20 (F) *147
Ohio mechanizes highway design Mar. 14 (F) *37
Water plant features automatic control May 23 (F) *51
Automobile test track—the Michigan Proving Ground completed by Ford Co. May 23 (F) *56

Awards

Beaver awards to eleven in Los Angeles at annual session Jan. 24 48
Horatio Alger Award to John Ware May 23 *84
Merit awards for high school graduates upped by industry May 3 32
1957 Medes Awards to Lou Perini and Guy Atkinson Feb. 14 *24
Traffic Engineers Award is offered for research Apr. 18 26

B

Bach, Ira J.—Chicago's new planning commissioner Jan. 17 *73
Beach Protection see Shore Protection

Beams

AISC code is arbitrary. Louis Baley June 20 10
Concreted tension flange saves steel June 6 *82
Deeper rolled beams needed. D. R. Goodkind Jan. 3 6
Deeper rolled beams needed—Rolled-beam depths. F. D. Steiner Feb. 7 8
Failures at inflection points. D. H. Lee June 27 8
Inflection-point stresses. I. E. Morris Jan. 3 6
Plastic design theory. F. S. Merritt (charts) Apr. 4 (F) 38
Plastic design to the core Apr. 4 e168
Prestressed beams are post-tensioned for Terminal City's bridges at Idlewild May 2 (F) *30
Prestressed beams span 100 feet to support roof at Lafayette market building in Baltimore Mar. 14 *26
Prestressed concrete beams protected from near zero temperatures at Calgary, Alberta plant Feb. 14 *55
Rubber seats for prestress beams. J. R. Graves May 16 (F) *67
Steel and concrete beams used in novel framing for Los Angeles Courthouse Apr. 11 (F) *52
Twenty tons of beams go up in one piece Apr. 25 *29
Two-story frame requires less steel when plastic design is used successfully. Prof. D. T. Wright Apr. 11 (F) *59
Berrigan, General Paul D.—To leave Engineers June 20 *99
Black, Eugene R.—President of the World Bank Jan. 17 *23

Blasting

Cross Bronx Expressway—blasting in Myers because the rock cuts to be made are deep (map) May 16 (F) *48
Job-mixed blasting agent tried on Canadian work June 20 89
Salt Lake fill, a big blasting job (map) June 6 (F) *34

Bolts

Anchor bolts are problem. H. K. Lee May 30 *16
Seagram Building in N.Y.C. is the tallest office building ever erected with high-strength bolts June 13 (F) *45

Bonds

Chicago voters approve 23 issues for public works program June 20 150
Chicago voters will be asked to approve $113 million worth of new bond issues to cover public works improvements Apr. 25 (F) *45
Connecticut sells turnpike bonds Apr. 11 141
Detroit, Mich. public works projects voted down Apr. 11 145
Federal help sought for sale of local bond issues Jan. 10 104
Kentucky's $100-million road-bond issue awaits test ruling Jan. 31 74
Memphis, Tenn. check for biggest electric revenue bond sale Feb. 7 *132

* Illustrated; e, editorials; (F) Articles over a page

Milwaukee plans sale of $22 million bonds ..... Apr 1 142
Phoenix bond issue public works planned without tax increase June 13 174
Sacramento, Calif. redevelopment pays its way (map) ..... Apr 25 (F) *30
San Diego, Calif plans bond election for aqueduct ..... Mar 21 33
Wayne County, Detroit, Road Comm. to issue $11.8 million in bonds ..... June 27 136

Book Reviews

Air conditioning-refrigerating data book (Applications volume) 6th ed. W. R. Woolrich, Editor-in-Chief ..... May 16 72
American civil engineering practice Three vol. ed. by R. W. Abbett ..... Jan 17 80
Biological treatment of sewage and industrial wastes McCabe & Eckenfelder Jr. ..... Feb 14 72
Building cost manual ..... Mar 21 123
Composition and properties of concrete Troxell, Davis & Kelly ..... May 16 76
Computing with desk calculators W. W. Varner ..... June 20 96
Engineering structural failures Rolt Hammond ..... Feb 14 72
Faster, faster Eckert & Jones ..... Apr 4 109
French contractor equipment—building, civil engineering, mechanical handling—A special issue of Travaux ..... Jan 17 80
Handbook of rigging 2 ed. W. E. Rossnagel ..... June 6 110
Heating ventilating and air conditioning guide 35th ed. ..... Apr 18 118
Irrigation engineering Vol. II Projects, conduits and structures L. E. Houk ..... May 30 76
Just compensation H. J. Kaltenbach ..... June 6 108
Landslides in clays. Alexandre Collin, 1846 ..... May 9 104
Mathematics and computers Stibitz & Larivee ..... Apr 4 109
Practical accounting and cost keeping for contractors 3 ed. F. R. Walker ..... June 6 108
Practical road construction H. Arnison ..... May 30 76
Principles of engineering geology and geotechnics Krynine & Judd ..... June 27 86
Principles of transportation Mossman & Morton ..... Mar 21 123
Principles of turbomachinery D. G. Sheperd ..... Jan 17 80
Sewage treatment 2nd ed Imhoff & Fair ..... Mar 21 124
Sewerage and sewage disposal L. B. Escritt ..... Apr 4 109
Standard plans for highway bridge superstructures Bureau of Public Roads ..... Jan 24 45
Structures Pier Luigi Nervi ..... May 16 72
Supplementary notes on structural planning and design—Problems and solutions from past New York P. E. license examinations J. N. DeSerio ..... Jan 17 80
Technical data on plastics Manufacturing Chemists' Association ..... Apr 25 101
Timber design and construction handbook Timber Engineering Co. ..... Jan 24 212
Bowers, Richard A.—SeaBee officer gets award for for Antarctic construction ..... June 13 *105
Breakwaters—Tetrapods—four legs against the sea; first installation in U. S. underway at Crescent City, Calif. and in Kahului Harbor, Hawaii ..... Mar 21 (F) *46

Bridge Accidents and Failures

Tay Bridge—A disaster to remember ..... Jan 17 e128
Tay Bridge probers wrong Sir O. Williams ..... Mar 21 10
Windstorm speeds up Toledo expressway plans ..... May 16 *23

Bridge Construction

Alaska—Rail pile information R. J. DeLaHunt ..... Feb 21 *8
All-welded bridges—survey reveals that 22 states weld bridges ..... Jan 10 *28
Beam plate and girder bridge over Mississippi River (unit prices) ..... Jan 3 61
California highway bridge erection dodges floods ..... Apr 4 *82
California highway plan calls for 51 prestressed bridges ..... Mar 21 42
Carquinez Bridge—hydraulic jets sink caissons ..... Apr 18 (F) *38
Connecticut Turnpike's Quinnipiac River crossing at New Haven—superstructure goes on "croquet wicket" piers ..... June 6 *28
Contracts booming (chart) ..... Apr 18 176
Corpus Christi Ship Channel bridge, Tex. will get additional spans (unit prices) ..... Mar 14 88
County "rolls its own" in prestressed bridge design (map) ..... June 13 (F) *57
James River Bridge, Richmond, Va. columns built up with free-standing forms ..... Mar 21 *92
Mackinac's record cables spin for 78 days ..... Mar 28 (F) *55
New York bridge projects run 100% over estimates ..... May 16 23
New York's Long Island RR—bridge constructed and connected to make room for 4 lane highway without serious disruption of train schedules ..... Mar 7 (F) *40
Norfolk bridge-tunnel costs up $2 million ..... May 30 104
Pawtucket, R. I. Seekonk River steel-girder bridge cost exceeds estimate by 44% (unit prices) ..... Feb 14 78
Silt swallows up half the cost of Connecticut Turnpike Bridge May 30 (F) *46
Walt Whitman Bridge between Philadelphia and Gloucester City, N. J. is key to redevelopment of two cities ..... Apr 4 (F) *52
Will Rogers Turnpike bridges built fast D. E. Stevens ..... Jan 3 (F) *32

Bridge Design

All-welded bridges—survey reveals that 22 states weld bridges ..... Jan 10 *28
Bascule bridge spanning the Cuyahoga River at Cleveland comes close to record ..... Feb 28 *23
BPR publishes standard for road bridges—Penna. Highway Dept. completed similar publication ..... Jan 24 45
BPR standards—credit omitted Myron Lepakaluk ..... Mar 21 10
Europe's longest span suspension bridge on reinforced concrete towers is under construction across Seine River, France (map) ..... Jan 10 *58
Florida prestressed highway bridge bid price very low ..... June 13 27
Open-spandrel bridge built on skew near Cleveland ..... Feb. 21 *45
Prestressed beams for Texas bridge are seated on neoprene rubber bearing plates J. R. Graves ..... May 16 (F) *67
Prestressed bridge designed by Suffolk County across Long Island intracoastal waterway (map) June 13 (F) *57
Should bridges be wider? ..... Jan 17 e128
Structural steel bridges built fast on Will Rogers Turnpike, Okla. D. E. Stevens ..... Jan 3 (F) *32
Suspension span of 1,150 ft for St. Lawrence River bridge between Ogdensburg, N. Y. and Prescott, Ont. Mar. 14 *24
Suspension span of radically different design across Lake Maracaibo, Venezuela (map) ..... June 13 *28
Swing truss bridge in Swampy area, Louisiana (unit prices) ..... Apr 25 102
Walt Whitman Bridge between Philadelphia and Gloucester City, N. J. is world's eighth largest suspension span ..... Apr 4 (F) *52

Bridge Renewals and Repairs

Chicago bridge split for repairs June 6 *29
New Mexico bridge repair (unit prices) May 16 119
New York to modernize Harlem River crossing ..... Mar 21 33
Pennsylvania bridges damaged by hurricane will be repaired by summer Apr 4 28

Bridges

Australia
Narrows Bridge, at Perth Australia will be 1,100-ft long, five-span continuous structure of prestressed concrete ..... Jan 3 *50
Brazil
Viaducto das Almas bridge on Rio-Belo Horizonte Highway is supported on stilt-like concrete columns ..... Apr 11 *78
Buffalo Bayou twin bridges, Tex. Houston, Tex. takes welded girder span record ..... Jan 24 *48
California
Napa Hills highway bridge erection dodges floods ..... Apr 4 *82
San Francisco—bridges key features in water-complicated transit problems ..... June 27 (F) *23
Canada
Longest plate-girder bridge over the Fraser River in Vancouver, B. C. Feb 28 *55
Carquinez Bridge, Calif.
Hydraulic jets sink caissons Apr 18 (F) *38
Chicago
Michigan Avenue Bridge split for repairs ..... June 6 *29
China
Yangtze River span takes shape May 9 *75
Cleveland
B & O bascule bridge spanning the Cuyahoga River comes close to record ..... Feb 28 *23
Wilson Mills Road open-spandrel bridge built on skew ..... Feb 21 *45
Colombia
Bogota plans 430 ft prestressed bridge ..... May 9 *75
Connecticut
Turnpike bridge over the West River New Haven—mud makes bridge costly ..... May 30 (F) *46
Delaware River
$6 million construction authorized between Yardley, Pa. and Wilburtha N. J. ..... Apr 11 23
Fire Island Bridge
Suffolk County builds Narrow Bay bridge (map) ..... June 13 (F) *57
France
Bordeaux will get first new bridge since 1821 ..... June 6 102
Seine River suspension bridge on concrete towers (map) ..... Jan 10 *58
India
Bridging Ganges is top rank project May 30 *61
Italy
Santa Trinita Bridge at Florence being rebuilt—Ponte Santa Trinita J. J. Callaghan ..... Jan 31 10
Louisiana
Bayou Lacassine swing truss bridge in swampy area (unit prices) Apr 25 102
Michigan
Mackinac's record cables spin Mar 28 (F) *55
Minnesota
Beam plate and girder bridge over Mississippi River (unit prices) Jan 3 61
Missouri River
Forest City, S. D.—big span gets approval from Corps ..... Apr 11 24
New York City
Bridge projects run 100% over estimates ..... May 16 23
New York State
Thruway viaduct sets welded-girder record—Welded girders in Europe G. R. Thalheimer ..... Feb 7 8
Oregon and Arkansas interstate bridges boosted over their early problems June 6 30
Pennsylvania
Hurricane damaged bridges will be repaired by summer ..... Apr 4 28
Walt Whitman Bridge between Philadelphia and Gloucester City N. J. is key to redevelopment of two cities ..... Apr 4 (F) *52
Name added C. S. Whitney May 16 10
St. Lawrence River
U. S.-Canada bridge between Ogdensburg, N. Y. and Prescott, Ont. at bid stage ..... Mar 14 *24
San Francisco, Calif.
Toll bridge studied to parallel Golden Gate ..... Jan 31 28
San Francisco-Oakland Bay Bridge, Calif.
Capacity to be raised ..... May 9 28
Seattle, Wash.
Seattle bridge questioned H. M. Homer ..... Apr 4 10
Scotland
Firth of Tay Bridge—A disaster to remember ..... Jan 17 e128
South Carolina
Truss swing span will replace old bridge at Johns Island (unit prices) Jan 10 76
Texas
Corpus Christi Ship Channel bridge will get additional spans (unit prices) ..... Mar 14 88
Topock, Ariz.
Two new pipeline bridges across the Colorado River ..... Apr 4 *27
Venezuela
Lake Maracaibo bridge design beat U. S. firms bidding for job (map) June 13 *28
Summer start scheduled for Lake Maracaibo Bridge ..... Feb 21 236
Virginia
Chesapeake crossing faces political problems ..... Feb 28 29
Washington State
Financial-feasibility study of proposed second floating bridge across Lake Washington, east of Seattle May 2 34
Brown, Brig. Gen. C. Pratt—UCAF engineers do a big job ..... May 2 (F) *48
Brunn, Per—Hydraulics expert heads Coastal engineering course ..... Apr 18 *103
Brush control—Missouri River levee riprap is kept free of growth by spraying Apr 25 *88

Building Accidents and Failures

Brazil—Rio de Janerio building collapse laid to careless undermining May 9 75
Deck structure fault J. F. Mumper June 20 8

Building Construction

Aldon system mass-produces houses on site ..... Apr 18 (F) *67
All-concrete food terminal for Southern Railway ..... June 20 (F) *67
All concrete warehouse for AF near Sacramento, Calif. ..... May 30 (F) *42
Ancient building rebuilt to house museum in Athens, Greece D. P. Barnett ..... Mar 14 (F) *76
Another big year of federal spending (table) ..... Jan 10 21
Atlanta, Ga.—on-the-spot report Mar 28 113
Big changes in buildings over last 100 years ..... May 23 (F) *33
Boom stretches into 1957 (charts) Jan 3 21

* Illustrated; e, editorials; (F) Articles over a page

Building houses by the "Geath" system in Berea, Ohio ..... Jan 17 (F) *32
Correction J. E. K. Krylow ..... Feb 14 10
Building Research Institute offers some answers on how to build better ..... Apr 18 27
California maps extensive building starts for 1957 ..... Jan 3 23
Charleston, W. Va.—an on the spot report ..... May 9 139
Chicago, Ill.—Inland Steel builds 19-story office building ..... Jan 10 (F) *43
Chicago, Ill.—on-the-spot report ..... Mar 14 110
Columbus, Ohio on-the-spot report ..... Jan 3 78
Commercial building begins new boom (chart) ..... May 23 111
Contracts lag, others boom ..... Mar 7 136
Costs
Builders list ways to cut house costs ..... May 30 26
Industrial boom accents rise in costs (charts) ..... Jan 3 77
School costs per square foot in New York State (unit prices) ..... May 2 78
Where the school dollar goes—twin schools in North Haven Conn. show a 26% rise in two years (tables) ..... Apr 25 (F) *65
Daisan Marunouchi Building, Tokyo, Japan—steel-concrete members form frame ..... June 20 *90
Dayton, Ohio, research building—cellular concrete floors wired easily ..... Apr 18 (F) *62
Denver, Colo.—on-the-spot report ..... Apr 11, 142
Detroit, Mich.—on-the-spot report ..... June 13 *173
Engineering and construction advances pace this $125 million city-within-a city rising in Dallas, Tex. ..... Mar 28 (F) *45
Factories on the way to automation—big changes in buildings over last 100 years ..... May 23 (F) *33
Harlem Hospital, N. Y.—pumps and weight keep hospital out of hot water ..... June 20 (F) *46
Harrisburg, Pa.—an on-the-spot report ..... Mar 21 *168
Industrial building boom to continue (table) ..... Mar 21 171
Industrial building still strong, NCA says ..... Jan 17 109
Jackson, Miss.—an-on-the-spot report ..... May 30 106
Kansas City—on-the-spot report ..... Jan 24 263
Laboratory for Monsanto Chemical built almost completely of plastics ..... June 20 (F) *56
An architect's view of plastics B. H. Bradley ..... June 20 58
A contractor's view of plastics W. H. Cunliff ..... June 20 59
Lease-purchase programs suspended ..... Feb 21 *43
Line-of-duty criticism by officials held libel-free ..... June 20 150
Little Rock, Ark.—on-the-spot report ..... Feb 21 289
Milwaukee, Wis.—an on-the-spot report ..... May 23 116
More space needed to build today's jets—Douglas' giant aircraft plant has a million square feet of floor space ..... May 9 (F) *53
Nashville, Tenn.—on-the-spot report ..... Jan 31 74
New York City—14 story apartment house concreting completed in 51 days ..... June 27 *29
New York skyline altered by office-building boom ..... Jan 17 (F) *40
Oklahoma City, Okla.—on-the-spot report ..... Feb 7 *130
Pittsburgh—on-the-spot report ..... Mar 7 144
Plastic design makes possible savings in structural steel F. S. Merritt (charts) ..... Apr 4 (F) 38
Plastic design to the fore ..... Apr 4 e168
Plastic house erected with large sandwich panels forecasts things to come ..... June 20 (F) *28
Providence, R. I.—on-the-spot report ..... Feb 14 100
Reproducing history ..... June 20 e168
San Diego—on-the-spot report..Apr25 132
Seattle, Wash.—on-the-spot report ..... Jan 17 *108
Steel-frame courthouse for Los Angeles ..... Apr 11 (F) *52
Tallest concrete building in U. S.—Chicago apartment building ..... June 27 (F) *39
Techniques and trends in buildings and housing ..... Feb 21 (F) *106
Trenton, N. J.—on-the-spot report ..... Feb 28 98
Tulsa, Okla.—on-the-spot report ..... Jan. 10 103
U. S. Air Force Academy, Colorado Springs, Colo.—steel (unit prices) ..... Feb 14 78
Wilmington, Del.—on-the-spot report ..... Apr 4 149
Wingate Junior College, N. C.—lift-slabs connected to precast columns ..... June 27 (F) *69
World Bank operations are building a better world—at a profit (map) ..... Jan 17 (F) *21

Building Design

Air Force Academy—how foundations were designed Brown & Teng ..... Apr 18 (F) *50
Aircraft plant in Baltimore designed for unusually heavy loads E. W. Wolf ..... Apr 25 (F) *26
All concrete warehouse for the AF near Sacramento, Calif. ..... May 30 (F) *42
Aluminum mesh to face Detroit office building ..... May 30 *29
Arizona capitol dispute over design delays rebuilding ..... Apr 11 27
Bad design blamed for fire loss ..... May 2 69
Big changes in buildings over last 100 years ..... May 23 (F) *33
Consulting engineers build new office building of their own design ..... May 30 (F) *32
Cut-up section form tapered frames for enlarged outdoor deck of hotel at Sausalito, Calif. ..... May 9 *80
Daisan Marunouchi Building, Tokyo, Japan—steel-concrete members form frame ..... June 20 *90
Design against fire spread ..... May 2 e132
Earthquake resistance
Douglas giant aircraft plant—big columns are needed to resist horizontal forces ..... May 9 (F) *53
Federal building design approved ..... Jan 10 *104
Fire Protection—NFPA manager states nursing homes are No. 1 fire traps ..... June 6 27
Forming a thin-shell roof for a Seattle classroom building ..... May 9 (F) *45
450 ft concrete building planned for Melbourne, Australia ..... Mar 21 66
Hangers fit contours of big planes ..... Apr 25 *27
How is shear distributed? Murray Rubin ..... May 23 *8
Los Angeles, Calif. apartment balconies offset for headroom ..... Apr 18 *31
Mental hospital design—use of new drugs may affect architectural requirements ..... May 30 26
Museum to be built near National Park Service near Vernal, Utah, will have bones of dinosaurs as one wall ..... Feb 14 23
New York garage will satisfy strict code ..... Apr 4 *26
Paired classrooms, new concept in school design for New Rochelle, N. Y. ..... May 9 *32
Pittsburgh office building a showcase for steel curtain walls, pivoted windows are included in panels ..... Feb 28 (F) *49

Highway and bridge contracts booming (chart) ..... Apr. 18 176
Kansas City Tollroad—first contracts awarded ..... June 20 144

D

Dams

Arizona
Indians build dam in secret after being blocked by earlier legal action ..... June 27 34
Arkansas
Dardanelle and Greers Ferry—two multi-purpose projects ..... June 20 30
Barkley Dam, Ky.
First contract awarded, had 10 bidders ..... June 13 174
Brazil
Tres Marias, Furnas dams are two schemes in the big hydro plans ..... Apr. 11 80
Brownlee Dam, Idaho
Floods knock out two cofferdams ..... Mar. 7 *29
Penstock liner assembled fast ..... May 16 *25
Snake River Dam in the Hells Canyon region will be rushed into service by 1958 ..... Feb. 7 (F) *46
Snake River Dam in the Hells Canyon region will be rushed into service by 1958 — Highest rockfill? F. M. Tompkins ..... Mar. 14 6
Buford Dam, Ga.
Second federal project on the Apalachicola River expected to be on the line this summer (map) ..... Mar. 14 (F) *28
California
USBR and utility agree on power dam above Friant ..... Mar. 21 30
Cheatham Dam, Tenn.
Lock and dam under water in Cumberland River flood ..... Feb. 21 *43
China
Sanmen Gorge Dam construction underway—start of Yellow River project ..... June 27 92
Dalles Dam, Ore.
Heat pump installation uses generator cooling water as a heat source ..... Apr. 25 88
Spillway spills first time ..... Mar. 28 *109
Delaware River Dam
Wallpack Bend rejected; downstream site favored ..... Mar. 7 27
Federal dams—Northwest group calls for regional financing agency ..... Jan. 10 24
Fort Gaines, Ga.
Largest of four federal structures on the Apalachicola River is underway (map) ..... Mar. 14 (F) *28
Fort Randall Dam, Picktown, N. D.
Dambuilder flies claim in hurry and wait case ..... Feb. 14 104
Germany
Rappbode Valley Dam begins to take shape ..... Mar. 21 *62
Glen Canyon Dam, Colo.
Merritt-Chapman does it again ..... Apr. 18 (F) *25
Merritt-Chapman & Scott gets Glen Canyon Dam ..... May 2 23
Gorge Dam
Builder, city seek to cancel contract ..... Mar. 7 (F) *28
Hells Canyon, Idaho
End of Hells Canyon ..... Apr. 11 e168
Hoover Dom (Boulder)
Sewage plant to serve tourist population ..... Jan. 10 55
Ice Harbor Dam, Wash.
First concrete placed ..... June 27 *28
India
Construction begun on concrete gravity dam on the Rihand River ..... May 9 *76
Fast concreting at Bhakra Dam—Faster concreting at Bhakra. M. R. Chopra ..... Apr. 25 11
Hiracud, India's first "modern" dam (map) ..... Mar. 14 *78
India modernizes dam building ..... May 23 e136
Kosi River project approved by U. S. experts ..... Feb. 21 66
Iroquois Dam
Mixing plant is automatic. H. H. McLean ..... May 9 (F) *47
John H. Kerr Dam, Va.
Powerhouse gets centralized controls ..... Apr. 18 *34
Powerhouse gets centralized controls—Savings questioned. D. B. Dingman ..... May 30 12
Keokuk Dam, Iowa
New lock on the Upper Mississippi Waterway will eliminate serious bottleneck ..... Apr. 4 *28
Kings River, Calif.
Stresses in dams. F. N. Dloughy ..... Apr. 25 11
Leech Lake Dam, Minn.
Cofferdam break leads to dam failure (map) ..... June 13 27
Long Sault Dam
Mixing plant is automatic. H. H. McLean ..... May 9 (F) *47
Mansfield, Tex.
Dams kept the Colorado in complete check during floods ..... May 9 *29
Massena Intake
Mixing plant is automatic. H. H. McLean ..... May 9 (F) *47
Mayfield Dam, Wash.
Delays cost $21,000 a month ..... Apr. 18 29
Tacoma wins round at Mayfield, fight still on ..... Apr. 4 26
Mexico
Santo Tomas and Pinzanes, two dams in tandem store and regulate water at Tingambato ..... Jan. 24 *173
Monticello Dam, Calif.
Solano Project key unit in operation ..... Mar. 28 *24
New Croton Dam, N. Y.
Cracked spillway healed with grout ..... Jan. 31 (F) *35
Nimbus Dam
Washout damages denied builders ..... Mar. 21 34
Oahe Dam, S. D.
Derrick stone is specified ..... Feb. 21 *239
"Mole" comes through—finishes flood control tunnel ..... Apr. 18 *28
Power tunnels to be inverted siphons ..... June 27 (F) *32
Ohio River Lock and Dam 29 at Ashland, Ky.—Barge rams dam ..... June 13 *27
Oklahoma
Dam projects block highway program ..... Feb. 28 23
Oregon
Upper Lewis River—highest earth-fill dam starts to grow ..... June 13 *29
Oroville Dam, Calif.
Immediate start urged on Feather River Project ..... Jan. 17 28
Preparatory jobs being readied for bid call on Feather River Project unit ..... Mar. 28 27
